The Luxury Experiences

One Company. One Family. One Passion.
SINCE 1973

Yes, India is our home — we're fortunate to call it that — and we're thrilled to share it with our valuable guests. We raised our children in the Mehrauli District of New Delhi, quite close to famous Qutub Minaret. And we began and built our company here in the land of our birth. So you see, when you travel with "Sanyog Gupta Voyages" you're travelling with more than just a company — you're travelling with our family.

ALL THE TIME. EVERY TIME.

— Radhey & Geeta Gupta

Sanyog Gupta Voyages

Luxury Destination Management Company

As we have evolved as a company, we have come to realise that our love lies not in booking tour packages, but in showcasing the unique experiences across the nations we serve. We realised that there are many secret corners of our world, rare moments, mysteries and stories.

Our company owned by a family, but run professionally. We have hierarchical systems which are driven by our core family values. We have come to understand we do not want to be the largest company globally. We have never tried to be the richest or the most influential. I say, we just want to be the bestest in what we do.

We are a family tradition for over three decades that have been highlighting this part of the planet. All over Indian sub-continent, we have grown to become a popular, valued and autonomous DMC providing the finest cultural experiences, personal immersions and natural wonders. We are here to build stories for our clients, tales of love, of wonderful excitement. We are proud of our past and its legacy.

‘We are real voyagers and love varying voyager’s life!’

Opulent Stays

There are some places which stretch the definition of luxury to the fullest. Opulence is given a new meaning. The top luxury hotels are a testament to that. Everything seems effortlessly larger than life in these luxury hotels. Exquisite architecture, royal ambiance, excellent hospitality and a feel that sets them apart in a league of their own.

The wide range of first class amenities, posh living spaces, royal spas, world class conference facilities, majestic interiors, grand living spaces and dishes from all over the world prepared by master chefs endear the luxury hotels to both domestic and international tourists who are in search of a wholesome royal experience.

From historic palaces to mobile tents, tea plantations perched upon Himalayan peaks to languorous houseboats, each of the best luxury hotels in india promises a memorable and truly distinct stay.

Spread across the subcontinent, from the mountains of the north to the tropical south, these venues are as adept at pampering as they are at immersing guests into beguiling local environments.

Opulent Wildlife Safaris

While the tiger may steal the limelight and be at the top of many a wildlife bucket list there are plenty of other rare and threatened species to discover in Asia. The world's largest continent, Asia is home to a rich diversity of wildlife as varied and fascinating as its many cultures and landscapes.

Animal-lovers are spoilt for choice with Opulent's varied itineraries. Our luxurious tented safaris in Ranthambore National Park in Rajasthan, Kanha & Bandhavgarh National Park in Madhya Pradesh offer a chance to see tigers in the wild, whilst Yala National Park in Sri Lanka will reveal shy leopards in trees, trumpeting elephants in the grassland, and whales and dolphins swimming offshore.

Compared to African safaris, wildlife viewing in Asia presents more of a challenge in terms of patience and tracking skills. However, the extra effort is absolutely worth it when you consider the rewards. And with an experienced guide, meaningful big cat encounters are likely to come your way.

We've road-tested these safaris first-hand so you can be sure to see your favourite animals in their natural habitat.

Opulent Honeymoons

There are so many things to juggle in the run up to your wedding – let us remove the stresses of organising your honeymoon as well.

This is one holiday that you want to get absolutely spot on. Having personally seen all the places we recommend and with over a decade of experience designing tailor-made honeymoons to Asia under our belt, you can rely on us to create a romantic and entirely bespoke journey for you and your new husband or wife.

For such a vast continent, it's unsurprising that Asia boasts so many iconic honeymoon destinations. If you were to imagine a picture-perfect white sand beach, the chances are we can find a beach in South East Asia that matches the image in your head. Or if immersing yourselves in a completely new culture is the aim of the game, there are countless places we can recommend, from Mumbai to the Mekong.

When naming iconic honeymoon destinations, the Maldives, Mauritius & Seychelles are always features high on the list, and there are plenty of good reasons for that. With beautiful beaches, crystal clear waters, and some of the most luxurious hotels in the world, this is your place if you're looking for complete R&R to recover from the madness of the wedding.

Opulent Cruise Journeys

Asia offer an ode to the meandering blue capillaries of water, that form a busy network across the lands – plummeting from the glaciers in towering mountains and flowing freely through the plains till the journey to surrounding oceans comes to an end.

For those who appreciate the art of slow travel and are as interested in the journey as the destination, river cruising is one of the best ways to explore Asia, whether it is travelling on the holy Ganges in India, mighty Mekong in Cambodia, Vietnam and Laos or the pristine Irrawaddy in Myanmar.

Encompassing luxury in every nook and corner, the river cruises are designed to make sure you have the most enthralling journey. From comfortable suite accommodation to high-end amenities, the cruises are equipped with everything you might need while sailing.

Whether it is a small excursion or a long journey of a few days, the river cruises throw up many surprises. From fresh catch from the river for dinner or watching life of the locals that live on the edges, this is a great way of seeing a destination intimately.

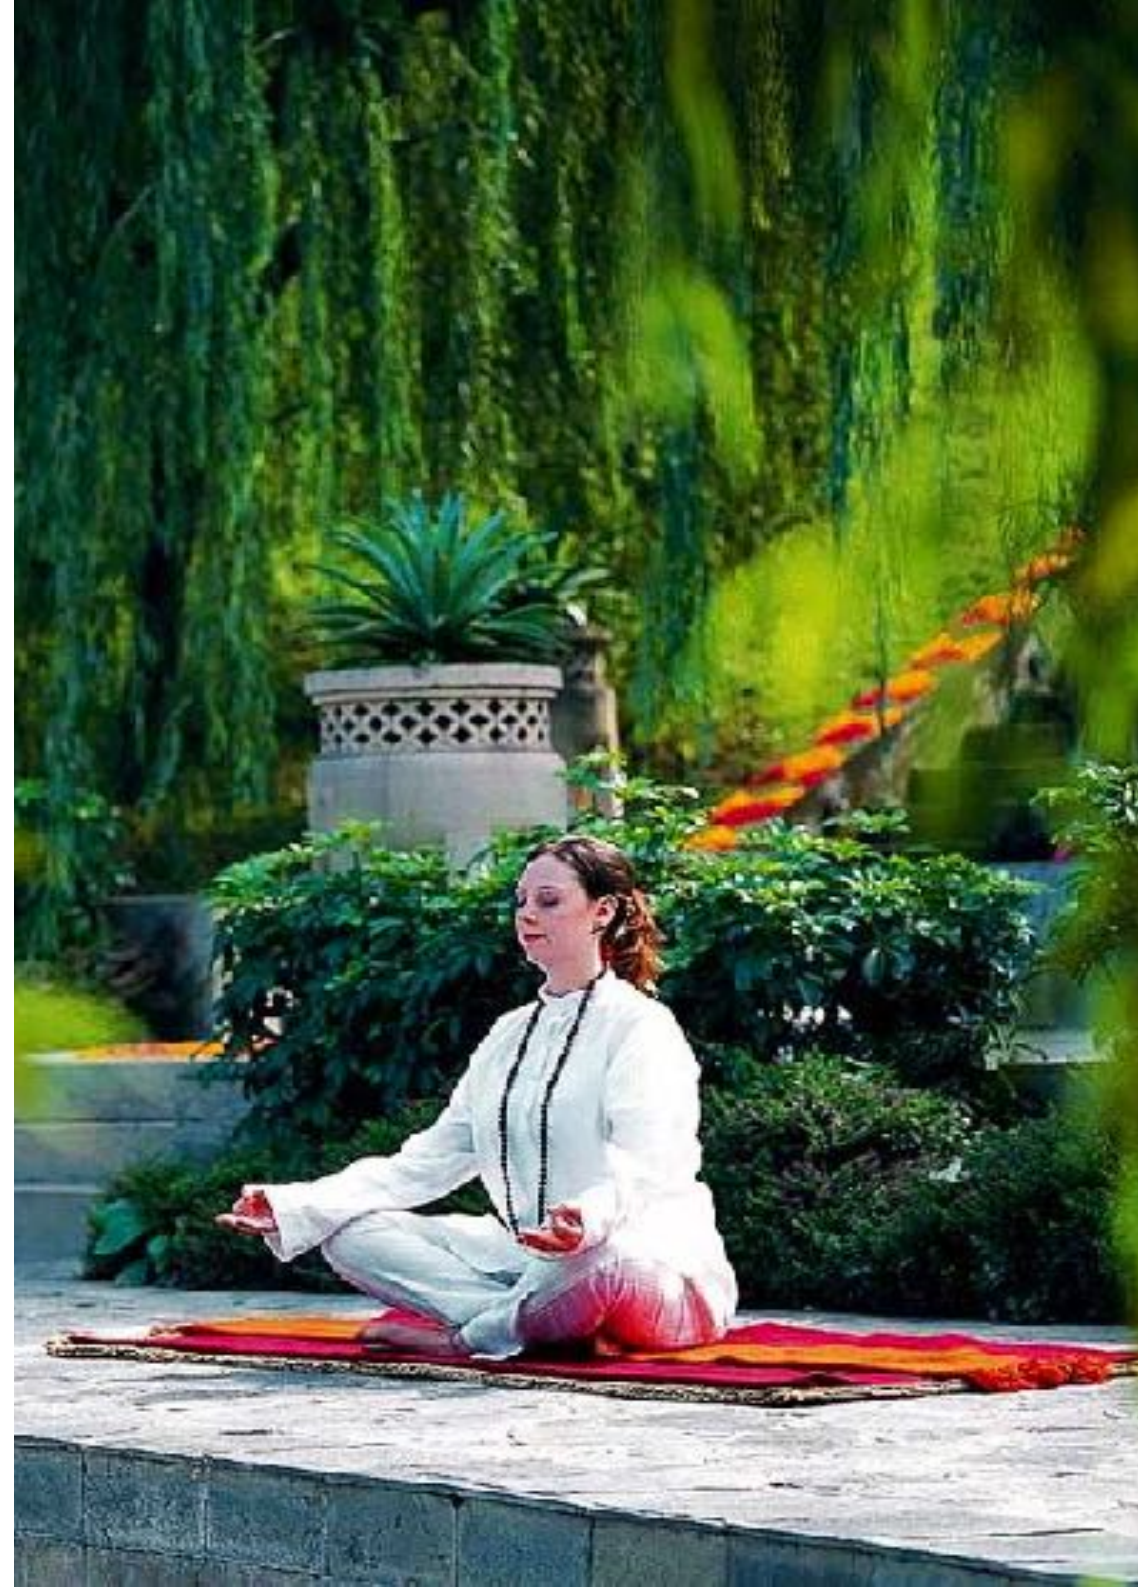

Opulent Spa & Wellness

Are you caught up in the trappings of the daily rat race and succumbing to a hectic job that robs you of valuable 'me' time?

Sounds familiar?

Then give yourself some much-deserved time out to recharge on a regular basis and to face life's challenges again with renewed vitality and wellbeing.

We all love to be pampered but the holidays we arrange go that little bit further to ensure you leave utterly blissed out. For reviving massages, what could be better than a luxurious underwater spa in the Maldives, or for something even more exotic, experience the practice of Ayurvedic medicine in Southern India to reach a higher plain.

Opulent Buys

If you love combining shopping with travel, then Asia won't disappoint you. Apart from being a hot travel destination, the retail magic is also quite strong in Asia.

One of the biggest mistakes you possibly could make on a trip to Asia would be to arrive with a suitcase already jam-packed full. Asia beckons even the most resistant shopper-traveller into savvy off-the-cuff buys. Whether designers or luxuriously indulgent, you never know what you might pick up when you arrive armed with a credit card and extra space.

From lively high streets, impressive malls, boutiques to hidden havens for fashion enthusiasts, don't be surprised to see fashionistas heading to some of these destinations with empty suitcases, because this is where you will find the latest styles that will give you a bang for your buck.

If you believe that retail therapy is the best kind of therapy, then a shopping journey is for you. We have some of the best guided shopping tours and destinations around the world – *just make sure you bring an empty suitcase!*

Whether you're into luxury brands or designers, Asia is the best shopping continent for you!

Opulent Eats

From Japanese sushi and Chinese dim sum to Indian Butter Chicken, Asia's spices and flavours are among the world's finest. Experience them from their source with in-depth culinary tours designed by local foodie experts.

It's no secret that Asia is home to some of the world's best cuisine, but it is also home to some of the finest restaurants.

Opulent Experiences

Soul-Stirring Experiences Delivered on an Asia Tour.

Religion and spirituality are at the core of tours to many Asian countries. The Himalayan kingdom of Bhutan's monasteries are its biggest allure. Kandy in the mountains of Sri Lanka is home to one of Buddhism's holiest temples. Gilded pagodas and temples dominate both the cities and rural landscape of Myanmar.

Cambodia's crown jewel is the temple of Angkor Wat, which sees a million visitors each year, while in Japan, Kyoto's biggest draw is its profusion of ancient Buddhist temples and Shinto shrines.

Asian countries are blessed with soul-stirring landscapes and captivating wildlife. Snowy Himalayan vistas in Nepal and Bhutan. Lush greenery along the Mekong in Laos, Vietnam and Cambodia. One-horned rhinos in Nepal.

Elephants, dolphins, and whales in Sri Lanka, and orangutans in Malaysia. And the list goes on. In addition, the warm waters of the Indian Ocean host vibrant underwater worlds. In Indonesia's Raja Ampat archipelago you'll find the richest variety of marine life and corals in the world.

Opulent Festival Experiences

Festivals in Asia are a vibrant representation of the culture and ancient traditions of the country. Every third day in Asia is a festival - the trueness of this statement is evident from the numerous festivals celebrated in Asia with great religious fervour.

The major festivals in Asia mark various occasions important in the culture of Asia like the onset of new seasons, new crop or harvest, the legends or the Asian culture of a particular state/region.

The festival journeys of Asia take you to a journey of Asian culture. With every festival you discover a new blend and the veiled historical legacy, which breaks the ice with the upcoming events of the festival.

All fairs and festivals have heaps of diversified variety as indicated by the way of life, culture, language, religion of every country, state, region, city and district.

Clearly, with regards to the travel industry, fairs & festivals are on the need among the tourists to agree the outing to observe astounding festivals of Asia.

Opulent Islands

For some people island is for water sports, beach parties and meeting new people. For some it is the dream place for lazy days, hanging hammocks and a nice book. And for the rest, it is about long walks, beautiful sunsets and equally enchanting sunrises.

Whichever way, we associated them with a number of good and rejuvenating things; however, overly commercialised beaches with murky water are a big turn off.

While there are many beautiful islands in Asia that might disappoint you, there are a few which will actually never fail to give you a relaxing and refreshing vacation.

Tourism to islands is a special form of tourism that often requires specific consideration as there are distinctive characteristics of islands such as fragile environments and historical and socio-cultural aspects that can result in unique challenges to developing a successful tourism destination.

Golf Experiences

Golf Courses make Asia as an Ideal destination for Golf. Asian Golf Courses compete with some of the leading Golf Courses in the world in terms of Quality and Facilities.

Most of the Golf Courses of Asia are well connected with the Roads, Train and Air network. There are large number of International standard courses are also available in Asia designed by Arnold Palmer, Greg Norman and Jack Nicklaus.

Our collection of luxury golf resorts in Asia make sure that the golfers from abroad as well as from all over Asia have excellent golfing experience. These exclusive golf resorts are renowned for their superb golfing infrastructure, luxurious accommodation, state of the art amenities and impeccable hospitality.

Asia doesn't exactly spoil golfers for choice but still there are quite a few golfing destinations in Asia offering almost incredible diversity. In recent times, quite a few hotels, clubs and golf resorts in Asia have come to offer world class golfing experiences.

South East Asia

On a luxury trip to Southeast Asia, you won't forget your first sight of Angkor Wat; nor feel more at peace amongst the orange-robed monks of Luang Prabang. You'll never feel more alive than walking the bustling French quarter of Hanoi; and no more (happily) nervous than when, pressing your body to the ground, you glimpse a family of Borneo orangutans through the trees.

In the bustling cities, ride via vintage Vespa in Ho Chi Minh, whip up fish amok on a cooking class in Siem Reap and discover the floating markets in Bangkok. Home to myriad ancient temples, either wind up at South East Asia's most iconic landmarks such as Angkor Wat and Candi Ceto or step off the beaten track to explore more remote corners still.

For something a little unusual, head to the jungles of Papua New Guinea and join the Dani tribe for a digital detox, or lose yourself in the exotic heartlands of Borneo as you bond with Orangutans. Boasting 7,000 islands, there's a beach swing for everyone in the Philippines. Stay on the sandy shores and you'll be in the perfect position to explore volcanic landscapes, rice terraces and plunging ravines.

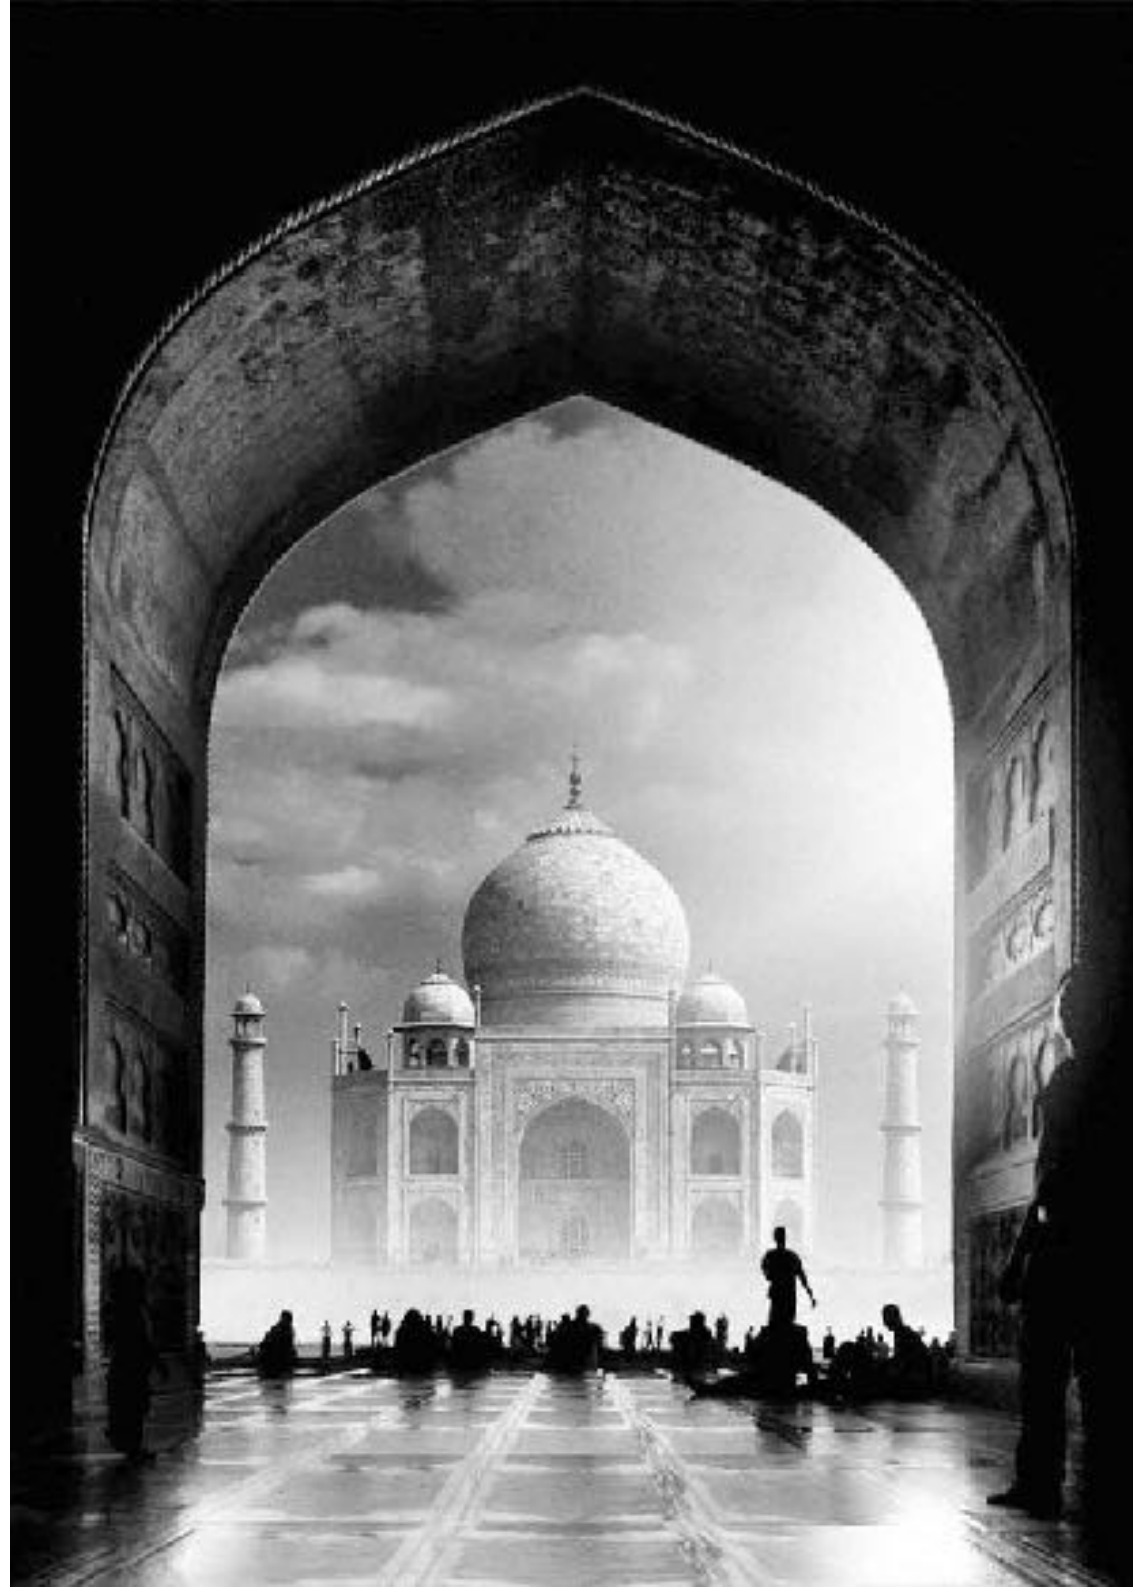

Indian Subcontinent

A sweeping journey through a tapestry of cultures and landscapes; from the foothills of Everest – with the sound of prayer flags snapping in the wind – to the spectacular jade of Sri Lanka’s iconic tea plantations. The Subcontinent has been a playground for kings and empires for millennia, as well as the birthplace of some of our longest-lived practices and beliefs.

So when you lug your yoga mats to classes on early mornings, you’re still – at a fragile distance – connected to Aarti worship ceremonies on the banks of the Ganges, and a pot of tea you’ll share with a market vendor in legendary Udaipur. Let us help you close that distance.

Home to the highest density of leopard anywhere in the world, a safari in Yala National Park is a must-do while visiting Sri Lanka. In between the sloth searching and elephant spotting, dine beneath the stars or sleep in a jungle cocoon. For a slice of tropical paradise, we love Uga Bay on the east coast, to dip your feet in the warm Indian Ocean and feast on countless beach-side barbeques.

Arguably the most beguiling continents of South East Asia, the mountain kingdoms of Nepal and Bhutan pave the way for a unique Himalayan experience. From hikes around Kathmandu and white water rafting in Pokhara Valley to remote camps and cliff-side treks to Tiger’s Nest.

Indian Ocean

The Indian Ocean is dotted with numerous islands – small and large, inhabited and uninhabited. Spread out from the west coast of Australia to the east coast of Africa and the southern coasts of India and the Middle East, the island destinations in the Indian Ocean offer everything you could possibly be looking for in an island getaway, whether it's dense tropical jungle, world-class beaches, spicy food or rare wildlife.

Located in the tropics, the Indian Ocean is home to numerous gorgeous islands spanning across countries and continents. These magnificent islands that will leave you bewitched by their beauty. Whether a couple seeking romance and relaxation or a family needing excitement and entertainment, whatever your 'must-have', we'd wager that the Indian Ocean has it, and a whole lot more.

With influences from the African coasts to the west and the Asian spices to the east, as well as centuries of western colonial inspiration, the Indian Ocean offers so much delectable food to tempt you on holiday. Across the Seychelles, Mauritius and the Maldives, fresh produce, aromatic spices and some of the world's best seafood are combined to create a harmony of flavour wherever you choose to stay.

A favourite way for many to spend their days in the Indian Ocean is with a mask and snorkel under the blue lagoons that surround the islands.
